Mentor Signature: [Signature] Date: 2/3/16

Parental Consent (must be obtained prior to proposal letter submission)

I have read the parent letter sent home by my child's English teacher and understand the components and requirements of the Graduation Project. I am aware that the Project's overall average will count as the English IV exam (25% of the English IV grade) and that English IV is a graduation requirement. I am aware of and **approve** of my student's Graduation Project **topic choice, plans for research and practical experience, as well as proposed mentor.**
