Did your senior have you evaluate the portfolio/presentation before submission? YES NO

Please describe any challenges that your senior encountered and you helped him/her to overcome.

Getting a bud of work with photography is a hard task collecting and choosing the images to portray your message is hard to do. Ethan overcome this and did great.

In your opinion, what were some of your senior's greatest strengths throughout the project?

Ethan showed great enthusiasm towards photography. He loves to hike and experience nature around our city. He enjoy taking photos and capturing his experiences.

In what ways do you feel your senior has grown as a young adult throughout this process? How will he/she be able to utilize his/her newly acquired skills and/or knowledge after graduation?

This process teaches you about time management and working with others. Ethan did both well which he will use in his future.

On a scale of 1 - 4 (4 being best) how would you grade your mentee's overall Graduation Project?

(circle one) 1 2 3 4

Please justify your answer: Ethan showed me his work and accepted critique well. He was great to work with.
